charging base

ACCESSORIES

Smartphone with
simplified menu

Amplified sound
charging base

The ideal combination to make the most of a simplified smartphone
with deeply amplified extra sound and easy charging

85dB

- Main charging base with built-in high quality sound amplifier
- Simplified menu with big touch keys for unskilled smartphone users and unsteady hands
- 3 photo memories on Home screen for immediate reach of the favorite contacts
- Simplified WhatsApp to bridge the digital divide and enjoy communication
- SOS button for emergency call with geolocation
- Audio-Boost key ^{new}
- M4/T4 Hearing Aid Compatible
- Additional charging cradle

S515-C AMPLIBASE

COMPLETE OFFER WITH AMPLIFIED SOUND

- **4G smartphone for seniors**
- **Amplified sound charging base**
- **Additional charging cradle**
- **2-piece lanyard** for wearing the phone around the neck and detaching it for charging
- **Protective film on display** to avoid scratches and shocks
- **SOS bracelet & Slip case** in option

AMPLIBASE : EXTRA HIGH-QUALITY SOUND FOR PHONE & ENTERTAINMENT

- **Twice louder than the smartphone loudspeaker level** with better bass and treble reproduction for both handsfree call and audio & video content
- **Answer/end a phone call at a press of a button** on the base: No need to pick-up the phone and touch the screen
- **Automatic Bluetooth connexion:**
 - During a call, placing the smartphone on the Amplibase the sound plays through the base
 - Removing it switches the sound back to the smartphone
 - No interference occurs when used with the S510/S515 SOS Bluetooth bracelet

SMARTPHONE WITH HEARING AND SIGHT SUPPORT

- **Powerful adjustable ringing volume (up to 85dB)**
- **Hands-free function**
- **Audio-boost key** to increase smartphone earpiece volume
- **Dual microphones** for enhanced echo cancellation
- **M4/T4 Hearing Aid Compatible**
- **Large-character 5.0" color display** with high resolution (720 x 1280 pixels)
- **Large icons** for battery level and ringer mode (vibrate, silence)
- **Speech to text: voice dialing, dictate text messages, Google search etc**
- **Text to speech: vocalisation of received text messages**
- **Talking digits**

ADAPTED ERGONOMY

- **Menu for seniors:** simplified swipe-free user interface with slow press on big touch keys to avoid errors (4 levels of click duration)
- **Vibration & visual feedback on each press** to confirm right use
- **Hard keys:** Home, Back, Recent Apps
- **Handy torch** sliding switch

ASSISTANCE

- **Reassuring SOS button:** emergency voice call and text message with GPS location sent to the helper and text messages sent to 5 additional numbers
- **SOS bracelet** available as an accessory or included in Swissvoice S515-C AMPLIBASE with SOS bracelet and slip case

SOCIAL LINK

- **Simplified WhatsApp** with a 4-choice menu: write a message/video call/voice call/voice message
- **SMS/MMS:** simplified reading and sending
- **3 photo memories** for the favorite contacts
- **Pre-installed Youtube application**
- **Grouped text messages** (SMS, emails, WhatsApp) and a **single photo gallery** (photos taken and received) for easy access
